Problem

Challenges of traditional study methods:

- struggle to connect ideas
- information overload
- high stress and low retention rate
- inefficient time re-reading and memorizing
- fragmented knowledge

GETSTITCH.AI

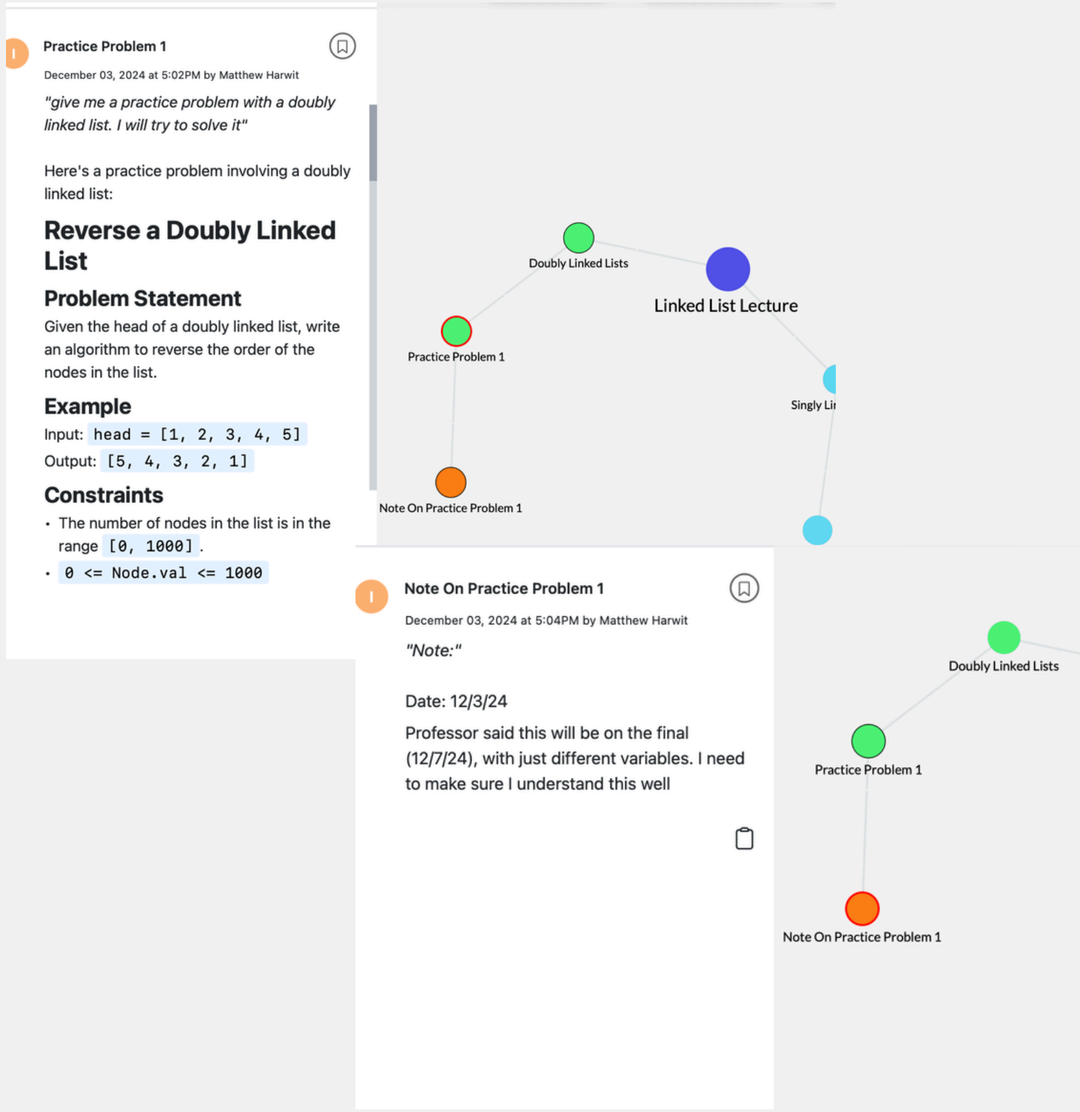

Solution

Stitch.ai is committed to organizing student's thoughts in a way that prioritizes academic success:

- **Visual Thought Mapping:** Convert abstract ideas into tangible neural networks
- **Cognitive Organization:** Structure your thoughts like your brain's natural pathways
- **Information Hierarchy:** Prioritize and connect concepts for optimal recall

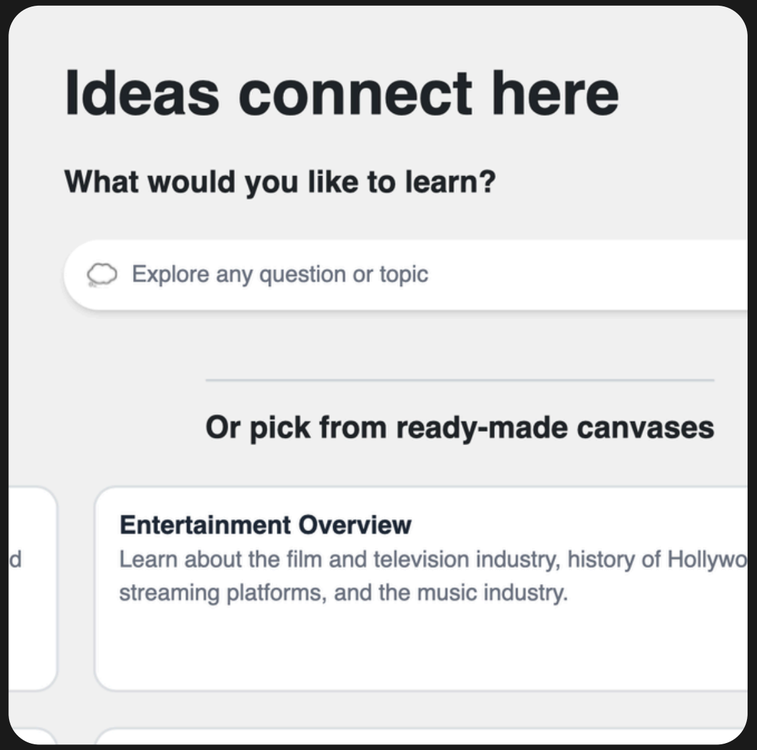

How Stitch.ai Works:

- **Input Your Thoughts:** Jot down ideas, questions, and concepts
- **AI-Powered Analysis:** Our algorithm identifies connections and hierarchies by a secured domain authority
- **Neural Network Generation:** Watch as your thoughts come to life in a visual brain map
